

Notification released on Jan. 24, 2021

## Emergency Department (Resumption)

Services for Walk-in patients at Emergency Department will resume at 9am on Jan. 25, 2021.

Notification released on Jan. 12, 2021

## Emergency Department

Emergency Department is temporarily stopping providing services to Walk-in patients. We limit our emergency medical services only to patients brought in by ambulance. We will notify resumption of the services on this website.

Notification released on Jul. 17, 2020

## Visitor Restriction

We currently do not accept any visitors, including patient family, except under special circumstances such as;

- Our hospital staff asked you to come
- The patient's condition is unstable or has suddenly deteriorated
- Accompanying an inpatient aged 12 or under

Even under those circumstances, we cannot accept visitors who have cold symptoms or a temperature of 37.5°C or higher.

When you are accepted as a visitor, please be aware of the following.

- Up to 2 visitors are allowed for a short time.
- Wear a mask and use hand sanitizer when entering and leaving the patient room.
- Let us know about your health condition on the "Questionnaire" on your visit.
